

Midas

Wunderhorse

The voice inside the suit came crawling down the telephone
Somewhere between a chessboard and a nursery rhyme
I heard the rattlesnake shaking in his invitation
And the whites of his knuckles on the other end of the line

Midas, yeah
Midas, lalalalalalala
Midas, yeah
Midas

Stepped inside his office and the whole place seemed to shiver
He said "Come a little closer, boy
Come on don't be shy"
I searched to find the fracture in his tombstone facelift
And he fixed me with the coldness of the kingdom in his eyes

Midas, yeah
Midas, lalalalalalala
Midas, yeah
Midas

He said "come on, kid
You think we got a deal, yeah?"
Threw his head back like a pelican and straightened his tie, ha
haha
Each time you're asking, you're making me kinda nervous
And with a click of his silvered fingers I was falling through
the sky

Midas, yeah
Midas, lalalalalalala
Midas, yeah
Midas
Midas
Midas
Midas
Midas
