

# Morphine

Wunderhorse

Freedom is mine  
Won't you test the water with me  
Stranded in time  
Morphine  
Morphine

Tumbling blood  
Lay me in the lull of the leaves  
Under the flood  
Morphine (yeah)  
Morphine

Did you ever want to fly?  
Nothing ever felt so free  
But she's robbing you blind  
Morphine  
Morphine

Ladies in white  
Fading on the fire as you sleep  
Waving goodbye  
Morphine  
Morphine

Did you ever want fly?  
Nothing ever felt so free  
But she's robbing you blind  
Morphine
