

# Contagious

Wurld

Happy people live your life  
You are so contagious

Is this love?  
Or have I waited in vein?  
Have I made all my mistakes?  
Is this love? Is this love? Is this love?

Oh-oh-oh, I've been waitin'  
Oh-oh, I've been wishin' for something  
Oh-oh, I don't mind if this moment  
Is only for one night

Happy people live your life  
You are so contagious  
The way she whine it on me, do it for me, I'm in love, I'm in love  
You're contagious

Party with my neighbors  
Every night is contagious  
The way she whine it on me, do it for me, I'm in love, I'm in love  
You're contagious

Ori e'kun ma sun rara  
Ori e'kun ma sun rara  
Ori e'kun ma sun rara  
Ori e'kun ma sun rara

Is this love?  
Am I just a game you play?  
Are we sinners just the same?  
Is this love? Is this love? Is this love?  
I just wanna love for something

Don't wanna die for nothing  
I wanna live my life the way I want  
Love whoever I want  
Do the things that takes me high

Happy people live your life  
You are so contagious  
The way she whine it on me, do it for me, I'm in love, I'm in love  
You're contagious

Party with my neighbors  
Every night is contagious  
The way she whine it on me, do it for me, I'm in love, I'm in love  
You're contagious

Ori e'kun ma sun rara  
Ori e'kun ma sun rara  
Ori e'kun ma sun rara

Ori e'kun ma sun rara  
Ori e'kun ma sun rara
