

FOCUS

Wurld

I'm back in your town, it's been a while
I called you last time I came around
But you said
You seein' somebody new
I pushed up on you too many times
I know that I may've crossed the line
Know I
Couldn't give up on you like that

Baby, you are, you are one in a million
I know you deserve a man that wants and needs you
I want you the way you are, don't make no changes
Whatever you want and more, I'll be that for you

Let me be your FOCUS
Let me be your FOCUS

So long, so long I wanted here
Patient for my time, I watch you fall
In my arms
Never gon' let you go
So wrong, so wrong, he let you down
I'm here in my cape to make it right
'Cause you're mine
Never gon' let you down, no, no

Baby, you are, you are one in a million
I know you deserve a man that wants and needs you
I want you the way you are, don't make no changes
Whatever you want and more, I'll give it to you

Let me be your FOCUS

You never miss a thing
I promise to set you free
Girl, don't you look that way
There's nothing for you that way
Make me the FOCUS

Let me be your FOCUS
