

**GUCCI**

**Wurld**

Gucci when you see me  
Gucci when you see me  
I'll be Gucci when you see me

Take my money  
Take my cars  
Take my jewels  
Can't take my soul  
Never gonna take my soul

Take the furs  
Take the girls  
Take the fame  
Can't break my soul  
Never gonna break my soul

No chains on me  
No locks on me  
No hold me  
No chains on me  
No locks on me  
No hold me

Gucci when you see me  
I'm always Gucci when you see me

Gucci when you see me  
Easy when you see me  
No stress when you see me  
Shining when free me

Eeny, Meeny, miny, moe  
Switch up a new episode  
Niggas tryna catch me, no  
Niggas tryna copy, no  
Copy, copy, yeah  
So we hit them with the new  
Gotta pull up with the new

Take my money  
Take my cars  
Take my jewels  
Can't take my soul  
Never gonna take my soul

Gucci when you see  
I'll be Gucci when you see me  
Gucci when you see me  
Always Gucci when you see me

No chains on me  
No locks on me  
No hold me  
No chains on me  
No locks on me  
No hold me

I'll be Gucci when you see me
