MAKE IT SNOW

WurlD

Now or never
Take away my fever
Love me under water
Till we make it snow
In the coldest winter
Meet me in the center
Kiss me here forever
Till we make it snow
Nobody gets me the way you do, it's true

Honey, darling
I want you all over me
Hungry, starving
I long for your energy
Hold me, touch me
I want you all over me
Nothing and no one
You're all that I need

And I would do my best for you
Give you my love and never pressure you
And when you need me I'll be there for you
Don't need the Molly, you're my substitute
You're my big win, no misses
Dimple on the side of your booty need more kisses
Swallow my pride, I know you're all that I'm wishing
Pray to the lord to send an angel my way
Oh, woah

I wanna-wanna
I wanna-wanna
I wanna wanna
Luh-luh, luh-love
I wanna-wanna
I wanna-wanna
I wanna-wanna
Luh-luh, luh-love
