

# NO EASY LOVE

Wurld

I don't wanna make the same mistakes again  
I don't wanna make you feel like you're to blame  
I don't wanna pressure you to make it a thing  
Don't wanna pressure you  
'Cause I know, baby  
Things go wrong sometimes, baby  
People grow apart sometimes, baby  
Let it all burn in the fire, baby  
I know what you want, dey-dey-o  
Say you want my love make e come, dey-dey-o  
Make I put a smile on your face dey-dey, dey-dey-o

No easy love  
There is no easy love  
Sometimes we get comfortable (We get comfortable)  
Don't want no easy love  
This ain't no easy love  
Why do we get comfortable?  
Give all my love to my baby-o  
Give all my time to my baby-o  
Show all my flaws to m, baby-o  
Do all I can for my baby-o  
Give all my love to my baby-o  
Give all my time to my baby-o  
Show all my flaws to my baby-o  
Do all I can for my baby-o

I don't wanna make things complicated  
I know sometimes when you need me, I'm not there  
But we've come far, I know the beginning I was focused on myself  
And you focused on yourself  
Now I know, baby  
Things go wrong sometimes, baby  
People grow apart sometimes, baby  
Let it all burn in the fire, baby  
I know what you want, dey-dey  
Say you want my love make e come, dey-dey  
Make I put a smile on your face, dey-dey, dey-dey-o, woah

No easy love  
There is no easy love  
Sometimes we get comfortable (We get comfortable)  
Don't want no easy love  
This ain't no easy love  
Why do we get comfortable?  
Gotta give all my love to my baby-o  
Give all my time to my baby-o  
Show all my flaws to my baby-o  
Do all I can for my baby-o  
Give all my love to my baby-o  
Give all my time to my baby-o  
Show all my flaws to my baby-o  
Do all I can for my baby-o

Do all I can for my baby-o, yeah  
No easy love  
There is no easy love

No easy love, no
