I'm a priona in your world
A slave to passion, you are my fall
I get high
I get high
I get high for your love

Ori mi Gbami o! Ma fi mi si le o!
Omoge' jorr o! Ma kpa mi sar yeh o!
Ori mi Gbami o! Ma fi mi si le o!
Omoge' jorr o! Wa shey mi jeje o

50 shades make I sign the waiver
January until December
This your love on another level o
Other girls I no fit remember o
Too dey play mind games
I no get time to waste
You got them out of my way
So you can lock me away

Ori mi Gbami o! Ma fi mi si le o!
Omoge' jorr o! Ma kpa mi sar yeh o!
Ori mi Gbami o! Ma fi mi si le o!
Omoge' jorr o! Wa shey mi ley shey o!

I'm a priona in your world
A slave to passion, you are my fall
I get high
I get high
I get high for your touch

I get high

I get high for your love

I get high
I get high
I get high for your love
