

Sare

Wurld

Don't leave me hanging
I'm getting tired of waiting
Confess my feelings
Oh my God, I said it
I said I love you
Tell you more than I want to
Baby, these are my confessions
You're my true obsession
(You're my true obsession)
I'm breaking all the rules and caution
Showing my imperfections

Baby Sare o Sare o Sare o
Why do you take so long
Love doesn't take too much ooh
Baby Sare o, Sare o Sare o
Why do you take so long
Love doesn't take too much ooh
Baby Sare o Sare o Sare o
Why do you we wait so long
Love doesn't take too much ooh

This your lips I know
This your taste I know
Just can't get enough
Give me more
This your waste I know
Round and round they go
Just can't get enough
I want some more

When you leave me go
I can't breathe alone
My heart beating slow
You know my love is yours
My pain is yours
My joy is yours
My tears is yours
Be patient with all my flaws
I spend all my savings and more
Me I no go leave you run
I no dey rush
Ma ley mi lor sho gbor
