

# So Good

Wurld

Let me hold you down, I'll do it for nothin'  
When your heart is seekin', I'll keep you alive  
I'll never go astray, love don't come easy  
My heart will keep beating louder for you, baby

And I waited for the sun, but you came shining brighter  
You keep shining brighter

Sometimes it looks like we're losin'  
Woo  
I'm feelin' new, 'cause you keep me alive  
And I don't know why you chose me  
Ooh  
I'm feelin' new, girl, you keep me alive, yeah

And it feels so good, yeah  
Ooh, ooh, ooh, doo  
Said, it feels so good  
Ooh, ooh, ooh, doo-doo-doo  
Doo-doo-doo, doo-doo-doo-doo

It's the same sweet melody but my pride always let me down  
To say, I want you, don't need you, a ride or die  
I can't deny, you're my high, girl, you must be sanctified  
You shoot me high, up above the clouds, you know that I need ya

Oh, I've been waiting for the sun, but you came shinin' brighter  
You keep shining brighter, girl  
Sometimes it looks like we're losin'  
Ooh-ooh  
I'm feelin' new, 'cause you keep me alive  
And I don't know why you chose me  
Woo  
I'm feelin' new, girl, you keep me alive, yeah

And it feels so good, haha  
Doo-doo-doo, doo-doo-doo  
(I've never felt this way before)  
Doo-doo-doo-doo  
Said, it feels so good  
Doo-doo, doo-doo  
Doo-doo-doo, doo-doo-doo, doo-doo-doo-doo

I wanna ride, ride to the end of the world with you  
Oh, yes I will  
I wanna ride, ride to the end of the world with you  
I wanna be, I wanna be down  
Doo-doo-doo, doo-doo-doo, doo-doo-doo  
Doo-doo-doo-doo-doo  
Said, I'm down for it, down for the ride with you  
Doo-doo-doo, doo-doo-doo  
Doo-doo-doo, doo-doo-doo-doo  
Yeah, yeah, yeah

Sometimes it looks like we're losin'  
Ooh  
I'm feelin' new, 'cause you keep me alive

And I don't know why you chose me  
Ooh  
I'm feelin' new, girl, you keep me alive, yeah  
  
And it feels so good
