

Fela Kuti

Wyclef Jean

Yeah
(Mario!)

Light, camera, action
Everyone's a superstar
Hollywood
She came to party
We came to party
We came to party
Everyone's a superstar
Looka-looka-looka-looka-looka-looka here

Truth or dare
Spin the bottle, if you lose come out your bikini wear
Kiss, like a Prince song
She be The voodoo is working on me
Dance like Fela Kuti
Mama sa makossa energy
(Bad man) easy with the trigger
Bartender, come over
Drink with for the winners

She came to party
We came to party
We came to party
We came to party
Everyone's a superstar
Light, camera, action
Everyone's a superstar
Hollywood

"Mirror, mirror on the wall
Who's the sexiest one of the all?"
He replied, "Girl, you are
A shooting star"
I can see through the dust
You're my diamond in the rough
Can't nobody get to us
We real and they faking the love
And we found our way
Out of the maze
From walking the block to running from cops
Now we shower in To buy you a ring
And we go back to Vegas
What happened in Vegas we don't gotta say

Light, camera, action
Everyone's a superstar
Hollywood
She came to party
We came to party
We came to party
We came to party
Light, camera, action
We came to party
We came to party
We came to party

Everyone's a superstar
