Everytime I make a run, girl you turn around and cry
I ask myself, why o' why
See you must understand, I can't work a 9 to 5
So I'll be gone, till november
Said I'll be gone till november I'll gone till november
Yo tell my girl yo I'll be gone till november
I'll be gone till november I'll be gone till november
Yo tell my girl yo I'll be gone till november
January, February, March April May
I see you cryin', but girl I can't stay
I'll be gone till november I'll be gone till november
And give a kiss to my mother

1.

Girl I gotta leave, please don't cry
When I come back you know the limit's the sky
I'll take you out to dinner to your favorite spot
Feed you an aphrodisiac just to get you high
Drive by movies, by the cemetery
If my corpse could talk then I would tell you I was sorry
Lifestyles of the rich and famous
Some die with the name some die nameless

Yeah mon, I had to do somethin' so I'm knockin' on Heaven's door
Like a Bob Dylan
Never contemplatin', the charges that I'm facin'
My newborn son I hope I see his graduation
Take him to a movie, by the cemetery
If my corpse could talk then I would tell him I was sorry
Lifestyles of the rich and famous
Some die with the name some die nameless
