

# Heaven's In New York

Wyclef Jean

If it was my last day on earth  
I'd treat it like my first  
Go out the way I came in  
So innocent so pure with no thoughts of insecurity  
Live life to the fullest be what I wanna be  
Last day on earth

I tell my momma don't cry I'll see my daddy in paradise  
Where the blind can see, the mute can talk, the crippled can walk  
But for now Heaven's in New York

Oh oh oh oh oh oh oh  
Heavens in New York  
Oh oh oh oh

First thing I'd do is go back in time take the twin towers, put it back in the skyline  
Tell my girl two wrongs still don't make a right  
Make love for the last time under the candlelight  
Pick up my homies at the gentleman club after that hit  
Club and Reminisce about the High School Days  
Man I sucked as a quarterback remember getting sacked man almost broke my back yeah

If it was my last day on earth  
I'd treat it like my first  
Go out the way I came in  
So innocent so pure with no thoughts of insecurity  
Live life to the fullest be what I wanna be  
Last day on earth I tell my girl don't cry I'm with my daddy in paradise  
Where the blind can see, the mute can talk, the crippled can walk  
But for now Heaven's in New York

Oh oh oh oh oh oh oh  
Heavens in New York  
Oh oh oh oh

I tell the man get the people a tax break  
Kids stop shootin' I can't sing in no more ways  
I can't take the money with me so I caught a movie  
Favorite actress Angelina Jolie  
Favorite Singer has to be Marley  
Turn Up the Bass  
And move to his styling's  
Can't leave without reading my daughter a bedtime story the heavens is calling

If it was my last day on earth  
I'd treat it like my first  
Go out the way I came in  
So innocent so pure with no thoughts of insecurity  
Live life to the fullest be what I want to be  
Last day on earth I tell my homies don't cry I'm with my daddy in paradise  
Where the blind can see, the mute can talk, the crippled can walk  
But for now  
Heaven's in New York

Oh oh oh oh oh oh oh  
Heavens in New York  
Oh oh oh oh

Welcome to New York City  
Even though I walk through the Valley of Shadow of Death I fear No evil  
For you are with me so tell my loves ones please don't cry  
Cause if doves can fly so can I

If it was my last day on earth
