"When the East in the house, oh my God" (4x)Yeah! This one's for the world right here Sizzla! (Mr. Kalonji just walked in the buildin') Big up to the far East rulers Welcome to the East! "Oh my God" "When the East is in the house" sometimes I ask myself Will the violence ever cease "Oh my God" (You know you gon' like it, Kalonji, Wyclef) It's too hot on the floor man "Oh my God" It's too hot on the floor man It's too hot on the floor man "Oh my God" It's too hot on the floor They got the M-15's "Oh my God" We got the M-16's "Oh my God" (that's dangerous) It's too hot on the floor man It's too hot on the floor Check it out I saw the ski-mask I didn't see the faces yo Saw the grenade, heard the explosions yo It get worse yo, I can't count the hearses That come out to masses, to churches, the verse is Do unto others as you would have done unto you Well welcome to the devil's penthouse, overlookin' hell's view David slew the philistines with a donkey jawbone The same jawbone, I used to make microphone The same microphone I use in New Jerusalem To tell E.T. MC's they gotta phone home Girl I see you in the club but your eyes full of pain Your man a wife-beater, find a new man And for my little sisters in the misery Sweet sixteen you ain't alone in the pregnancy I pour some liquors for my homies that passed Sit back while I'm writin' watch you fade in the paragraph... Welcome to the East! "Oh my God" "When the East is in the house" sometimes I ask myself Will the violence ever cease "Oh my God" Deejay turn it up~! It's too hot on the floor man "Oh my God" It's too hot on the floor man It's too hot on the floor man "Oh my God" It's too hot on the floor They got the M-15's "Oh my God" We got the M-16's "Oh my God" It's too hot on the floor man It's too hot on the floor Sizzla, check it out! All things she plant the explosives with fuel in line We pe dimed, that's too much screwin time Cuttin you off, the halls reach the governor With pass enough plastic and the found for substance I prophecy they gon' call on the attack

Must I see there and keeping this a back
Each can play guitar, cause those bands a saluting
Everyday someone forments these drive-by shootings
Will there ever be peace on the Earth
With human acts we shall not have peace on the Earth
Be good leave it up for firm and just
What's going on in neighborhoods today is not respected

Welcome to the East! "Oh my God"

"When the East is in the house" sometimes I ask myself

Will the violence ever cease "Oh my God"

Deejay turn it up~!

It's too hot on the floor man "Oh my God"

It's too hot on the floor man

It's too hot on the floor man "Oh my God"

It's too hot on the floor

They got the M-15's "Oh my God"

We got the M-16's "Oh my God"

It's too hot on the floor man

It's too hot on the floor man

It's too hot on the floor

Dance, she's in the city of Gods
Dancin' the capoeira
I see her in Brazil, eyy!
Her cry, sound like 7 million violins
Knowin that her man
Won't be back tomorrow, she cries

Welcome to the East! "Oh my God"

"When the East is in the house" sometimes I ask myself

Will the violence ever cease "Oh my God"

Deejay turn it up~!

It's too hot on the floor man "Oh my God"

It's too hot on the floor man

It's too hot on the floor man "Oh my God"

It's too hot on the floor

They got the M-15's "Oh my God"

We got the M-16's "Oh my God"

It's too hot on the floor man

It's too hot on the floor

Yeah, this where we all meet right here
One mind one soul one heart
On violins we got, the Honorable Minister Louis Farrakhan, yeah
On guitar, my man David Rosen
Jerry Wonder on the bass
Sizzla, bredrin for life
Charles the conductor I see you
Wyclef Jean
