

I Don't Feel Young

Wye Oak

I don't feel young
I don't feel scared
I'm in control
I am prepared
I'll never cry
I'll sit and stare
I don't feel young

I don't feel old
I don't feel proud
I speak too fast
I laugh too loud
I am the smallest--
In the crowd
I don't feel old

I can't see you
But I can guess
You gave a speech
They're all impressed
But still your room
Is on at night
I can't see you

And so we fight
Can't have you now
I'll learn to walk
And learn to cull [?]
The word you gave--
Me in my mouth
And spit it out

If you feel young
And feel ready
Or if you feel old
And just need sleep
You know your--
Secret's safe with me

If you feel young
If you feel young
If you feel young
