

My Neighbor

Wye Oak

Friend and lover
Sweat and slobber
Mother, daughter
Cold ice water

Hungry baby
Hot and heavy
You aren't smiling
Left behind it

Whosoever
Never say never
I can't love you
I usually do

Race of amber
Cats in water
If you need it
One more reason

I would take you
At your word if
You could follow
Red sky morning

My creator
Doesn't make a good neighbor
I can't love you
I usually do

My creator
Doesn't make a good neighbor
I can't love you
I usually do
