

Funny Face

Wynette Tammy

Funny face I love you funny face I need you
My whole world's wrapped up in you

When the road I walk seems all up hill
And the colors in my rainbow turn blue
You kiss the tears away you smile at me and say
Funny face (funny face) I love you

Funny face I love you funny face I need you
These are the sweetest words I've ever heard
Funny face don't leave me funny face believe me
My whole world's wrapped up in you

And when I hurt your feelings as I sometimes do
And I say those mean things we know are not true
You forgive my childish ways you hold me close and say
Funny face (funny face) I love you

Funny face I love you funny face I need you...
Funny face I love you funny face I need you...
