

# He Loves Me All the Way

Wynette Tammy

Sometimes when he comes home, I'm cookin' breakfast  
I haven't slept a wink all night long  
I've been layin' in bed, thinkin' like a woman  
Wonderin' if my man's been doin' me wrong

To think he might be out with another woman  
Makes my temper rise with jealousy  
But all these years, I've never caught him cheatin'  
I guess he needs some time away from me

But when he loves me, he really loves me  
There's nothin' left for me to say  
Oh, when he loves me, he really loves me  
He loved me all the way

I'm not ever gonna worry about tomorrow  
As long as he makes everything alright today  
I'd rather wonder a little and have his lovin'  
'Cause when he loves me, he loves me all the way

When he loves me, he really loves me  
There's nothin' left for me to say  
Oh, when he loves me, he really loves me  
He loved me all the way

I'm not ever gonna worry about tomorrow  
As long as he makes everything alright today  
I'd rather wonder a little and have his lovin'  
'Cause when he loves me, he loves me all the way  
'Cause when he loves me, he loves me all the way
