

# I Almost Forgot

Wynette Tammy

So we meet again  
How long has it been?  
Sure, I still think of you  
Every now and then.

My, you're lookin' good  
Somehow I knew that you still would  
Lord, I'm missin' you right now  
More than I ever thought I could.

And I almost forgot how much I missed you  
Seein' you has torn me all apart  
Yes, I almost forgot how much I missed you  
'Til your memory reminded my heart.

Thought love would change in time  
Out of sight ain't out of mind  
Oh, but some things never change  
When it comes to you, I've found.

Your eyes are still as blue  
And you smile the same way, too  
And now it's all come back to me  
Why I love you like I do.

And I almost forgot how much I missed you  
Seein' you has torn me all apart  
Yes, I almost forgot how much I missed you  
'Til your memory reminded my heart.

'Til your memory reminded my heart...
