

I Just Had You on My Mind

Wynette Tammy

Don't let this call bother you in any way
I just had to hear your voice one more time
I know you've made a new life a new life without me
But I'm all right I just had you on my mind
I just had you on my mind

Oh you stand so close I can almost feel your touch
And remember the way you loved me hmm
I don't know what went wrong all I know is that you're gone
But I'm all right I just had you on my mind
I just had you on my mind

I'll hang up now it's been good talking to you
But I guess you want to go now you've got other things to do
Please don't think I'm blue I just happened to think about you
But I'm all right I just had you on my mind
I just had you on my mind

I'm all right I just had you on my mind
I just had you on my mind
