

# I L-O-V-E Y-O-U

Wynette Tammy

There's somethin' goin' on around you  
There's somethin' goin' on around you  
Is it not beautiful or is it invisible  
Cause I don't think you even know it's found you  
So look at me and listen carefully

I l-o-v-e y-o-u must I spell it out for you  
Cross my heart and hope to die  
Write your name across the sky  
Tell me what I have to do  
To get through  
I l-o-v-e y-o-u

I think you really care about it  
But something in you makes you doubt it  
If you just give me time I'll paint it on your mind  
I'll whisper soft low and down and then I'll shout it  
So listen then I'll spell you once again

I l-o-v-e y-o-u must I spell it out for you  
Cross my heart and hope to die  
Write your name across the sky  
Tell me what I have to do  
To get through  
I l-o-v-e y-o-u  
I l-o-v-e y-o-u
