

I Still Believe in Fairy Tales

Wynette Tammy

I believe in fairy tales
Where knights in shinin' Armour come along
You were my knight in shining Armour
And you stole my heart with a song

You gave me a castle and a princess
And I was the world's proudest queen
And then came the dragon in the bottle
And I watched as it slowly slayed the king

And we all live happy never after
For we just put the castle up for sale
But I guess that I will always be a dreamer
'Cause I still believe in fairy tales
I still believe in fairy tales
