

It's the Goodbye That Blows Me Away

Wynette Tammy

Somebody has ended forever for us
It's finished it's over today
It hurts me to lose you but not half as much
As the last word that I'll hear you say

Yes you'll see some teardrops cause I still love you
But that ole flame will burn out someday
There's no doubt about it I'll get over you
It's the goodbye that blows me away

I don't know who's waiting and wearin' my smile
Or how she's feelin' about stealin' you
But I hope she'll be happy I hope you will too
And that she'll find what I once had with you

To know you are leavin' just tears me apart
Though it won't hurt like the last thing you'll say
There's no doubt about it I'll get over you
It's the goodbye that blows me away

Your footsteps of leavin' will follow the word
That will leave us with nothin' to say
There's no doubt about it I'll get over you
It's the goodbye that blows me away
Yes it's the goodbye that blows me away
