

Mem'ries

Wynette Tammy

Mem'ries I've got a million of those mem'ries in my mind
Mem'ries I think I've got enough to leave a few behind
Mem'ries they used to make me warm but now I find
Mem'ries only make me feel old before my time

Mem'ries try not to think about the mem'ries or the time
Mem'ries forget the days when your sweet love was mine
Mem'ries I used to welcome them but now I find
Mem'ries only make me feel old before my time

Is there a way to make them go away
Now that I finally realize
Mem'ries only make me feel old before my time
