

## Right Here in Your Arms

Wynette Tammy

Love has come our way before  
But this time I am sure we just can't go wrong  
'Cause love has never felt so real  
The way you've made me feel right here in your arms

When I look into your eyes I still can see that far  
We both thought it was gone  
So give me one more chance to take  
What's left over I'll make it right here in your arms

'Cause in your arms is right where I belong  
Loving you forever from now on  
One more chance is all we need  
'Cause I know love will be right here in your arms
