

# That's Just the Way I Am

Wynette Tammy

If you ever get the feelin' that I'm lovin' you too much  
And think sometimes I'm comin' on too strong  
Like when we're in a crowd and I reach to feel your touch  
And give you that look of love me all night long

If I should say I love you when you've got friends around  
And if by chance it should embarrass you  
Remember when it happens I just can't help myself  
Don't let my way of lovin' bring you down  
Mmm that's just the way I am

That's just the way I am  
And I guess that's just the way  
I'll always be when it comes to you  
That's just the way it is  
When someone loves someone as much as I love you  
And I love you

So if ever there's a time my love starts chokin' you  
Remember if it does it's just my wanting you  
Turn my head around ah slow me down  
Till I can get my feet back on the ground  
Mmm that's just the way I am
