Boss up
Boss up

I said, "Lil' bitch, I need it right now; boss up or get deaded," ayy
Homeboy wanna pipe down, he love the way I handle it (Woah)
Handle it (Ayy), he love the way I handle it (Woah)
Handle it (Ayy), he love the way I handle it
So much drip I might drown, flip it and collect it, ayy
Now he booking flights out, he love the way I handle it (CJ)
Handle it (Ayy, woo), he love the way I handle it (Woah)
Handle it (Ayy, woo), he love the way I handle it

Pull up like I pay rent there, ho
I'm a snack, he wanna Monch no Pharaoh
Pants got holes like zero (Z-zero)
Maybe cause I like it see-through, bitch
What's the sitch, he just want my lips
But I gotta dip, gotta sort these splits, Eskowitz
Cross my T's and dot my I's like autocorrect in my texts on
That's the sound of the plane we just left on
Bitch, I bought a new bag, got my set done
I don't follow the pack, I'm the next one
Honeycomb, honeycomb, woah
Pitch it in the meeting, I'ma run it home, woah
Do not let me get in my zone
It's degrees to it, Honey grown

I said, "Lil' bitch, I need it right now; boss up or get deaded," ayy
Homeboy wanna pipe down, he love the way I handle it (Woah)
Handle it (Ayy, woo), he love the way I handle it (Woah)
Handle it (Ayy, woo), he love the way I handle it
So much drip I might drown, flip it and collect it, ayy

Handle it (Ayy, woo), he love the way I handle it (Woah)

Candle lit, he wanna wine and dine me
Falling behind like Wiley, wifey
I like it pricy, already bought the things he wanna buy me
It's unlikely, my handles are Kyrie
I don't need styling, Elsa already icy
I need more, bitch
Most of y'all are really hypocrites
You're pushy like the Clipse
He want a super freak like Rick James
King James with the wrist-wrist
So wet might slip
Not hopscotch, no skips
I can do both, I'm split like Twix
Let my team know: I'm rich, they're rich
Boy melt like it's ice in the fridge

I said, "Lil' bitch, I need it right now; boss up or get deaded," ayy
Homeboy wanna pipe down, he love the way I handle it
Handle it (Ayy, woo), he love the way I handle it (Woah)
