My Strongest Weakness

Wynonna Judd

The keeper of the gates of wisdom please let me in 'Cause I just can't go through another heartache again Pretty lies and alibis how could I be so blind Now all alone and scared to stand slowly going out of my mind

He was my strongest weakness, I surrendered heart and soul It's gonna be a long, long time till I regain control I'm still a prisoner held captive by his memory He was my strongest weakness and I'm afraid he'll always be

I gave my faithful heart to someone who couldn't understand How he held my little world in the palm of his hand Now he's gone and life goes on so if this pain will ever end Will I be afraid to risk it all to ever fall in love again

He was my strongest weakness, I surrendered heart and soul It's gonna be a long, long time till I regain control I'm still a prisoner held captive by his memory He was my strongest weakness and I'm afraid he'll always be He was my strongest weakness and I'm afraid he'll always be
