

## Never Say Never

Wynonna Judd

I kept wishing you would come  
But in my heart I knew it wasn't time  
You needed to do what you needed to do  
The parting miles reminded me  
How close my thoughts were of you  
A love to be your love forever I learned,  
NEVER tTHIS SAY NEVER

I thought my past was enough  
Not to take another risk on love  
But our intense glance  
Raced your soul through my eyes  
I knew you were the one  
I had been dreaming of all my life  
NEVER SAY NEVER

The soul knows when there's a connection  
There is a instant flash  
That says this love is forever

So, here I am not myself  
Oh, that's why I changed overnight  
Or was it at a moments notice  
When the old self completely left  
When I looked into you eyes  
I saw your soul  
You took me totally by suprise.  
NEVER SAY NEVER

Sometimes we're not to question  
When our lives can change  
Simply for the better  
We have no control  
Because our soul completely knows  
When there is a connection  
Even over thousands of ocean miles  
NEVER SAY NEVER
