

Buy My Love

Wynter Gordon

Don't you hesitate to buy my love
I wanna spent your money,
don't get me wrong.
Still gonna spent my money
I've got the funds.
Let's take a quick vacation,
a little shopping spree,
Affend to destination,
we'll spend it all on me

You could be my sugar daddy,
I call you my honey honey,
flow that roll that shit all bang on me (?)
You know how to throw a party,
We can act like it's my birthday,
Lots of ways to make me smile

There's a million ways to show your devotion,
So many ways to sway my emotions
Ooh, ooh.
Don't you hesitate to buy my love

There's like chocolate kisses and roses,
We want to choose, gimme shoes, gimme romance,
Ooh, ooh.
Don't you hesitate to buy my love

I'm gonna let you spoil me, just for today.
You told to call my promise, you had your way.
No need to thank me baby, a creditcard will do.
The love you show me, baby, is coming back to you.

You could be my sugar daddy,
I call you my honey honey,
flow that let that whole shit bang on me (?)
You know how to throw a party,
We can act like it's my birthday,
Lots of ways to make me smile.

There's a million ways to show your devotion,
So many ways to sway my emotions
Ooh, ooh.
Don't you hesitate to buy my love

Love me, Love me,
How much do you want me?
You can buy my love,
but you should try, try

There's a million ways to show your devotion,
So many ways to sway my emotions
Ooh, ooh.
Don't you hesitate to buy my love

There's like chocolate kisses and roses,
We want to choose, gimme shoes, gimme romance,
Ooh, ooh.

Don't you hesitate to buy my love
