X Ambassadors

I'll wait for you  
I'll wait for you  
But I'll be happy when you're gone  
Happy when you're gone  
Oh  
I wait for you

I'll wait for you  
I'll wait for you  
And watch you waste away  
While I watch you waste away  
Oh

Cause lately  
When you see me  
And you get that look in your eye  
Could you be more  
Elusive  
Talking shit, talking shit  
Baby don't say  
You're sorry  
It's not the end of the world  
But you gotta know  
One thing  
I won't be waiting long

Cause now you look at me  
Like a stranger  
Don't say nothing at all  
Don't say nothing at all  
You're treating me  
Like a stranger  
Don't say nothing at all  
Don't say nothing at all  
A stranger to you  
A stranger to you  
A stranger to you  
Oh  
A stranger to you  
A stranger to you  
A stranger to you  
Oh

I'll wait for you  
I'll wait for you  
And watch you waste away  
While I watch you waste away  
Oh  
I wait for you

Cause lately  
When I see you  
And you get that look in your eye  
Could you be more  
Elusive  
Talking shit, talking shit  
Baby don't say

You're sorry

Don't say nothing at all

Don't say nothing at all  
A stranger to you  
A stranger to you  
A stranger to you  
Oh  
A stranger to you  
A stranger to you  
A stranger to you  
Oh

We will never get back to where we used to be  
Used to be  
We will never get back to where we used to be  
Used to be  
Could we ever get back to where we used to be  
Used to be  
Could we ever get back to where we  
Back to where we used to be
