Today I don't really like this
Today I've only got one wish, yeah
I wish I could explain
Mhmm, yeah
Today I'm feeling pretty useless
Today don't know if I can do this
I wake up and I say, oh

What is it about this life
That makes me wanna die?
Why do I always lose
When all I do is try?
What is it about this life?

Oh my, my, I'm getting tired
Swear my head could start a fire
(Oh, my my, oh my my, oh my my, yeah)
Another day, will I feel better?
For now, goodbye it's been a pleasure
(Oh, my my, oh my my)

So what is it about this life
That makes me wanna die?
Why do I always lose
When all I do is try?
What is it about this life?
