Mad World

X Lovers

Sometimes I scream so loud
But, nobody listens (Screaming at the top of my lungs)
I need my comfort crowd
I need my hugs and kisses (Screaming at the top of my lungs)

The teacher tell me
"I should do something with my life"
But, teacher tell me
"Would you take your own advice?"
So, sometimes I scream so loud
But nobody listens (Screaming at the top of my lungs)

So, I keep to myself
But, it's okay
'Cause it's a mad world anyway
To myself
But, it's okay
'Cause it's a mad world anyway

Sometimes I feel so cold
And, I feel so distant
I wonder where we go
Is this all just fiction? (Screaming at the top of my lungs)

The teacher tell me
"I should do something with my life"
But, teacher tell me
"Would you take your own advice?"
So, sometimes I feel so cold
And I feel so distanced (Screaming at the top of my lungs)

So, I keep to myself
But, it's okay
'Cause it's a mad world anyway
To myself
But, it's okay
'Cause it's a mad world anyway

Cut off my two feet
'Cause I don't know
Who I am
Or where I plan to go

Yes, I keep to myself
But, it's okay
'Cause it's a mad world anyway
To myself
But, it's okay
'Cause it's a mad world anyway
