

## Play Your Game

X Lovers

I don't even wanna talk about who's right  
'Cause I'm a mess and you're a mess and I'm a mess, yeah  
Probably wanna call you but I won't in spite  
'Cause I got questions, I got questions  
Do you got questions too?

Oh, you played your game and you played it well  
But now you're sat all by yourself  
Screaming, "Why, I liked you"  
Oh, you played your game and you played me too  
But now, this time you're gonna lose  
Screaming, "Why, I liked you"  
Ayy, ayy

I don't even wanna talk about last night  
'Cause I'm a mess and you're a mess and I'm a mess, yeah (ayy,  
ayy)  
Honestly, I never thought we'd end up like  
Asking questions, 'cause I got questions and you got questions  
too

Oh, you played your game and you played it well  
But now you're sat all by yourself  
Screaming, "Why, I liked you"  
Oh, you played your game and you played me too  
But now, this time you're gonna lose  
Screaming, "Why, I liked you"

It don't feel a thing like you, but it's you  
Are you here to hold and love me too?  
Like back in the day  
It don't feel a thing like you, but it's you  
Are you here to hold and love me too?  
Like back in the day

Oh, you played your game and you played it well  
But now you're sat all by yourself  
Screaming, "Why, I liked you"  
Oh, you played your game and you played me too  
But now, this time you're gonna lose  
Screaming, "Why, I liked you"  
Ayy, ayy, ayy
