

## Burning House of Love

X

drive by my house late at night you can see it from from  
the freeway. no silhouette, but a light left on, burning  
there for love. smoke is rising from the fire, coming out  
my back door. i'm inside sound asleep, i see it on the  
floor. burning there for love. well, i can still remember  
a couple of years ago. when the smoke and flame from my  
name, there was a burning house of love. that rusty nail  
outside our door, is where i nailed our tears at rain. i  
threw that horseshoe in the weeds, and see what love  
could bring. now you're inside your big diamond lies, on  
either side of town. i think i might take a ride, and  
burn your love house down like a burning house of love
