Wild thing
Wild thing
I think I love you
I wanna know for sure
Wild thing
Wild thing
C'mon hold me tight
I love you
C'mon...
Wild thing
You make everything groovy
You make my heart sing
Wild thing
Wild thing
I think I love you
C'mon on, hold me tight
I love you
But I wanna know for sure
Wild thing
I think you move me
But I wanna know for sure
C'mon... c'mon
Wild thing
You make my heart sing
You make everything groovy
C'mon...
Wild thing
