

Year One

X

Year one little babies
Year one on their TVs
No AD, BC, AD
Patriotic people sleep
In like Washington DC
Waiting, waiting, waiting

They don't feel a thing
No dolls, no debutantes
No desperate living class
No roman catholic mass
No magazines, no TV
No RCA, no GE

Year one in our history
Year one in society
They're waiting for the son
For any son to come

Year one - you're one - I'm one
Year one - you're one - I'm one
Year one - you're one - I'm one
Year one - you're one - I'm one
