

## Losing Hand/Redemption

Xasthur

Empty hand, a losing hand... with no place on this earth  
Is redemption being released from it?  
Life with no beginning, no ending  
Where does it end?  
A failure- immortal- curse  
Empty soul, drained.  
With nothing put into it.  
No closure, no redemption beyond tomorrow  
And so it seemed there was no place to be redeemed.  
Wasting my breath, living for death  
Nothing in the end, there'll be nothing left.  
A failure- immortal- curse.
