

tired of life

Xavier Baumaxa

I feel so tired of life that I cannot even walk, I need a new,
new start, I need a restart.

I feel so tired of life that I cannot even talk, I need a new,
new start, I need a restart.

I feel so tired of life that I cannot even eat, I need a new, n
ew start, I need a restart.

I feel so tired of life that I cannot even breathe, I need a ne
w, new start, I need a restart.
