Xavier Rudd

All the people seeking truth and worldwide  
Coming up slowly  
And many more seem to be opening their eyes  
Coming up slowly  
Centuries of twisted truth and lies  
Coming up slowly  
Many people many places sick and tired  
Coming up slowly

Hey! Mr. you see I've seen this, before  
And I don't believe you, this time  
You see I've opened, my eyes

You're keeping secrets, from me  
You're keeping secrets, from me  
You're keeping secrets, each day  
You're keeping secrets  
Keep you satisfied, satisfied

Many people on a mission to unite  
Coming up slowly  
Many people spreading message far and wide  
Coming up slowly  
Every message has a universal tie  
Coming up slowly  
Every message for the fate of the unborn child  
Coming up slowly
