Xavier Wulf

Who can say where the road goes
Where the day flows, only time
Who can say where the road goes
Where the day flows, only time

Anything but human, anything but normal
George Washington in my blunt that's a quarter
Niggas want my bitch they can't afford her
Niggas want me dead, all these bitches want my ora

You see Wulf and Yung God through with that hood poetry
This crazy bitch say she hate me but come over please
I said hell nah Ima smoke while you get over me
Me and all my niggas getting yen sent from overseas
When she see me she see glattis glitter covering me
When I blink my eyes she collapse due to the flattery
She said boy let's fuck I ain't understand cause she said it in
Japanese
Bitch switched to chinese, cantonese, vietnamese, taiwanese
English please, damn bitch

Who can say where the road goes
Where the day flows, only time
Who can say where the road goes
Where the day flows, only time

Who can say where the road goes
Where the day flows, only time
Who can say where the road goes
Where the day flows, only time
