Xavier Wulf

"Captain?"  
"Yes?"  
"Do you see this?"  
"See what?"  
"Look!"  
"Ah, I see fools."  
"Yeah, I do too."  
"But don't worry, because they can't get in here."  
"Right, right."  
"And if they try to, they'll be killed. All we got to do is keep it real."  
"Damn."

I used to be at school at Forrest Cold West, man  
Sneakin', doin' shit I had no damn business  
I couldn't stay in school, I kept gettin' suspended  
I was just a boy growin' up in Memphis  
When I was in class, I was crazy as can get  
Teacher said, "You tardy," I said, "Ho, I know, bitch! ("Shutup!")  
I don't give a fuck, fuck your damn attendance"  
She called the officers and I ain't even flinch  
Lunchtime came around, bet I'm in that bitch  
I was so smart, I gave up attendin'  
The teachers couldn't tell me shit I really needed to know  
Shoutout to my granddaddy, I'm a damn pro  
You can't fool me and that's all that I know  
Fuck nigga, get your mind right or be froze  
Bitch, I don't give no fuck and that's all that I know  
I'mma swing so hard, my new name goin' to be Whoa  
Me, I'm a loco, buenas dias, ho (Bitch!)  
Bitch, I'm big Wulf, how the fuck you didn't know?  
I'm swervin' in my lane, that's a independent flow  
You niggas want to copy but it's too difficult  
Alpha K-9, Hollow Squad, blood cold  
Blood shore lords, we will never decompose  
Two blade twirl, cut your world into piece  
It's best to keep the peace, but these haters don't agree with me
