

Date Night

Xavier Wulf

Hey, I overheard you guys carrying on about cars yesterday so,
does that mean you can drive?
I was just thinking how great it would be to go for a ride
How about you do the driving and I pack us a nice picnic lunch?

She sent a text to me
She wanna go for a ride tonight
I said, "Are you sure you're ready?"
She said, "I'll see you at the mountain at night"

You see me toking, smoking, spinning on my wheel eating tofu
Shout out Tatsu Ramen
Fujiwara we be proud of you
Pull up to a crowd now see me sliding through
Watch these niggas scatter
It don't matter I hit whoever I need to
I pulled off with my niggas just to see you
And now she blushing red in her 240
Same color too
Her friend got a blue 240 with a crip blue
I sat down, what's up, we shake a hand then we smoke a few
All my niggas brothers that's the only truth
And to the folks that fuck with me I'll let you know I really f
uck with you
I pull off on a hater, I ain't notice you cause I'm Mr. Excella
nt, that's who she want, that's why she left you

She sent a text to me
She wanna go for a ride tonight
I said, "Are you sure you're ready?"
She said, "I'll see you at the mountain at night"

Are you sure it's alright to drop you off in this neighborhood?

Uh, yeah it'll be fine that's my house right across the street
Well you said this was a pretty junky ride you just use for you
r dads work but I actually like it, it runs really good and it'
s small and kinda cute, like you
