I came in high as fuck
Tooked off the potion
She want a sip, cold phrase
Let me hold that
Bitch suck a dick I ain't playing that
Bills are due every damn month where his cake at nigga
It's easy for a boss you niggas sleazy
I told her ass you niggas wasn't shit she ain't believe me
Now she reaching for me through her phone screen
I'm on her TL every damn day flexin'

Yeah we heard he talking slick, well about that
I took his favorite bitch just to ask her where his house at, y

She said she knew nothing about that
She said he still stay where his momma at
This shit I'm there, I'm a mad man
I pull up then she look at you like a trash man
I leave them niggas near a trashcan
Caraco cold stones are only for the captain
We just pay up he do a price scan
I pay my bills you pay them tricks man
I pack my bag cause you a trip man
Now I scream Hollowsquad and then I rip it

Tooked off the potion
She want a sip, cold phrase
Let me hold that
Bitch suck a dick I ain't playing that
Bills are due every damn month where his cake at nigga
It's easy for a boss you niggas sleazy
I told her ass you niggas wasn't shit she ain't believe me
Now she reaching for me through her phone screen
