I'm Mr. Excellent, I pull up how I want
I go wherever the fuck I want and then I smoke a blunt
I'm sorry, baby, we gon' have to link it later
Got a call to some paper, now I'm speeding up
I drop a tear when I switch a new gear
Driving faster than whoever 'cause I'm furious
And fuck a bitch, boy, and all you suckers too
I give no fuck 'bout who you knew, you niggas lame as fuck
I'm Mr. Excellent, I pull up how I want
I go wherever the fuck I want and then I smoke a blunt
I'm sorry, baby, we gon' have to link it later
Got a call to some paper, now I'm speeding up
I drop a tear when I switch a new gear
Driving faster than whoever 'cause I'm furious
And fuck a bitch, boy, and all you suckers too
I give no fuck 'bout who you knew, you niggas lame as fuck
I'm Mr. Excellent, I pull up how I want
I go wherever the fuck I want and then I smoke a blunt
I'm sorry, baby, we gon' have to link it later
