I've got a BMX bike but I'm not very good
I try to do a 180 and I bust my lip
But I don't give a fuck, I'm still riding like I should
I try to grind on the curb and I lose my grip

I got a piece of shit bike that I don't really like, I ride around and bunny hop and now
I try to 180 off a damn curb and hit my knee across the bar so hard I hit the ground
I be on Instagram chillin', watchin' Stevie and young Begin go so hard, I be like "Oh my damn"
I ain't gon lie, I'm inspired, and I'm faded, smoking indy while I cruise around my side of town

Wheels get to turnin'
Blunts get to burnin'
I don't give a fuck, all I wanna do is learn tricks
I don't give a fuck, all I wanna do is learn tricks
