

I'm feeling good and she feeling good too, for real
We getting high cause that's all that we gon' do, for real
I smoke so much that it's all that I can do, for real
I'm with my bruh's and we looking like a crew, for real
We smoking heavy cause that's all that we can do, for real
I got a feeling that I'm smoking more than you, for real
I love my weed cause she know just what to do, for real
I roll it fast cause rolling slow is for fools, for real
I gotta get high cause if I don't I could lose, for real
My power oozing out my sword, I'm so cool, for real
I told this girl that I like the way she moves, for real
She popped that pussy then she asked who is you, for real
I said nobody baby, I'm just passing through, for real
She said you lyinh, you so fine, you have a room? For real
I said yeah, but it's already full, for real
She said with girls? I said yeah, she said cool, for real
I know what she tryna' do, for real
I chill in Cali just to smoke and sip a brew, for real
I'm with Lil Debbie, she so fresh because she cool, for real
The club got a long line but we get through, for real
To you hating niggas, I don't fuck with you, for real
You need to get yourself some money and a boo, for real
Y'all so stupid I can't even deal with you, for real
I don't have no patients for a damn fool, for real
Bitch
