

Now you already know a real nigga like me  
Smoke everything in a damn Swisher ho  
I don't give a damn 'bout saving no weed  
Blow it all my nigga we can get some more  
Everybody know  
A real nigga like me smoke more till a nigga can't smoke no more  
e  
And nigga I always smoke  
So it ain't no time when a nigga can't smoke no more  
I'm looking at art, baby don't start touching on my dick cause  
you already know the last part  
I'mma let you get on top when them panties drop  
Baby girl you a freak, I don't even wanna start  
I don't wanna take your heart  
The bitch started crying cause the world got dark  
I had another blunt, so my nigga I spark  
I don't give a fuck, bitch I'm tryna' get some lunch  
I'll be sipping my spirit punch, while I'm rolling up some blunts  
Bitch I never fucking front, and some of you niggas claim you clutch  
But you putting holes all in the goddamn Dutch  
Goddamn nigga fuck, why they let you roll this up  
A lame nigga spend a hundred dollars on clothes, that's so dumb  
I don't even think y'all know  
They be like damn big Wulf got the flow, like duh young nigga,  
I already know  
I'm coming to the motherfucking set with the weed and my drank  
on deck so you know what's next  
Baby girl twerkin up a sweat, she got my respect  
Goddamn let her hit the blunt next
