

Le No Kutsu (House Shoes)

Xavier Wulf

It's a good day, it's a good day
Sure is, smoke

I be out here smokin' weed with my motherfuckin' fiends
And that's just what we do every motherfuckin' week
Bitch, I'm out here smokin' weed with my motherfuckin' fiends
And that's just what we do every motherfuckin' week
I be smokin' weed with my motherfuckin' fiends
And that's just what we do every day of the week
Bitch, I'm out here smokin' weed with my motherfuckin' fiends
And that's just what we do every motherfuckin' week
Bitch

Blade on my waist, blunts to the face
Young Destiny's Child, bitches say my fuckin' name (wha'?)
Young creep Bones, Motorola phones
Ringin' off the hook, money always goin' to call
All gold cane, walkin' with a dame
No fuckin' shame but these bitches know my name (Sesh)
Old skate shoes, torn-up jeans
Long hair swingin' like a young David Spade (Bitch!)
My bitch look just like me, fine to the teeth
Power on my level, smokin' dope, drinkin' tea
My bitch look just like me, fine to the teeth
Power on my level, smokin' dope, drinkin' tea

I be out here smokin' weed with my motherfuckin' fiends
And that's just what we do every motherfuckin' week
Bitch, I'm out here smokin' weed with my motherfuckin' fiends
And that's just what we do every motherfuckin' week
I be smokin' weed with my motherfuckin' fiends
And that's just what we do every day of the week
Bitch, I'm out here smokin' weed with my motherfuckin' fiends
And that's just what we do every motherfuckin' week
Bitch

All I need is weed on me
All day of the week, I'm smokin' weed
I'm in a tree, I'm smokin' trees
I got a lot of pretty women on me
It's a fee to fuck with me
I ain't free, that's on me
You hate on me, you so silly
Your girl with me, she say she lonely
I say, "Girl, what you doin'?"
You over here, you over there
You wanna come here from over there
You don't like your nigga cause he a lame
Everywhere that I be, I be smokin', bitch
