Girl, why you think you love me?

She looked up to me and said there never was a cause

Okay, cool, and same to you, baby, I fuck with you

And if you wasn't here, I'd be a little lost

I'm twisting up a hundred how I'm supposed to

And all my niggas do the same thing too

I don't fuck with none of you niggas, I been through with you

I'ma stand tall until the sky fall (Until the sun blue)

Mmm

Oh, oh, oh, oh, oh

Oh, oh, oh, oh

Oh, oh, oh, oh

Girl, why you think you love me?

'Cause I really care a little more than what you thought

Okay, cool, and same to you, baby, I promise you

And if I fuck this up, this could be a bigger loss

I'm twisting up a hundred how I'm supposed to

And now my shorty do the same thing too

We don't fuck with none of you niggas, we been through with you

We gon' stand tall through the night fall (Let's let the sun through)
